Future Events

When will there be an in-person Safe Routes to School Conference?

- We are still exploring options for a 2024 in-person conference. We know you are eager to gather as a Safe Routes community – and so are we! We will let you know as soon as we have news to share.

If the in-person conference returns, will the virtual Summit go away?

- We will continue offering virtual events to our Safe Routes community, even if we resume in-person conferences. We want to make sure our events are accessible to everyone who wants to participate.
